DDP Service

To **alleviate** the complexities associated with **import duties*** and **customs clearance**, we are pleased to introduce our **DDP Service** in Asean Countries.

This service allows us to transport your goods directly from the **globe** to your doorstep, relieving you of concerns regarding import duties and customs procedures. We will manage all necessary importation **documentation** and duty payments, ensuring that your goods are delivered directly to you.

We offer a variety of global transportation methods, including:

Shipper Inland Transportation

Sea Freight

Air Freight

Local inland delivery within ASEAN countries.

Our service is now available in **Singapore, Malaysia, Indonesia**

*As the importation declaration is registered under our agent's company, we will not issue any Duty or VAT invoice for the goods

Reasons to use DDP Service

- **Hassle-Free**

we take care of everything for you, from picking up the cargo, import document paying all the duties, and deliver the goods timely and safely to your doorstep

- **Cost Saving**

our freight has included the freight, duty, and local transportation, no additional cost & duty for importer
